Prison-Bail Refused-The People

Grumbling.

ublican-He Wants Full Acquies-

Right Bower-The Best Friend he has, his Mouthpiece and

Factotum. we shall succeed in consummating all that we have undertaken; if we shall secure to this country for all time the true results and fruits of the war; if we shall establish peace in all the best at present. He denied the assertion that Grant had violated the Constitution in the San Denies and San Denies an States; if we shall secure to the people of all the States equal rights before the of all the States equal rights before the law—we shall have accomplished a great work, more than any other party in the country, or any other country has accomplished. Our enemies are artfally whispering to us that our mission has been performed, that our duty is done, and that we may rest upon our victorious arms. The mission of the Republican party will not be performed, it it can be said to have be performed, if it can be said to have that we are not a nation, but simply a special mission, until in all parts of an aggregate of independent States, the country the Thirteenth, Four-teenth and Fifteenth amendments go to pieces. shall be accepted not only in letter, but in spirit; until it shall be concluded, not for the sake of political expediency, but because all parties agree that they are right and ought to be Escape of Twelve Convicts-Supposed by the fundamental law of the land. New questions will spring up from time to time, and we should try to dispose of them as they come, but we should not have too many irons in the fire at one time. The Republican party is the perintendent Kelso, from the warden great reform party of this country."

Speaking of the labor reform ques- forth that while the steam tug Dean ion, the Senator said one of the Richmond was lying at the prison fundamental ideas of the Republican dock, a number of convicts went on party is dignity of labor, and the board and seized the boat before the arry planted itself upon the idea that authorities could interfere. The congraded labor, and that was one reason | the boat and started down the river. why we were for tearing slavery up | Kelso ordered a police-boat to be sent by the roots. He drew attention to up the river, in search of the Dean Richmond. The steamer started in search, but nothing has been heard State Auditor showed that, notwith- from the convicts or boat, standing the misfortunes of the war since 1856, nearly doubled the value of Sing Sing prison to day, at a quarter her taxable property. Her popula-tion had been vasily swelled, and she ing a canal bost in tow and going had never been so prosperous before; north, it was observed that it was and this took place under Republican approaching the prison dock with rule. Labor should not only be honorable and dignified, but it should be | waved to the pilot to keep off, and the paid in good money. No class of waving was heeded, apparently, not-men are so robbed and plundered by withstanding the steamer glided to the depr ciated and fluctuating currency pier. Immediately twelve convicts, as laboring men. A merchant may as if understanding the whole move noard up his merchandise for higher ment, made a rush from their work, prices, and a land owner can leaped on board the canal boat and hold his land for higher value, but you ran pell mell, over it to the tug and can't hold up labor for a rise in prices. Into the engineroum; the engineer was first to feel it; but when there is ex- dashed into the pilot-house and took pansion, labor is the last thing to feel charge of the wheel. Immediately and the children of laboring men, in the starm was given as quickly as this respect, placed on an equal footing with those of rich men. The Regurds rushed toward the pier. They this respect, placed on an equal footing with those of rich men. The Reguards rushed toward the pier. They publican party is in favor of educating aimed their pieces at the convict pilot terior. In Louisiana they probably everybody. We possess the very and shouted for him to stop, but he spirit of the free school system of this land. While the body of the Democratic party gre, no doubt, in favor of sent to Sparta, one mile south, where a free schools, yet, so far as I know, all sailing vessel was procured and sent spersed with marine beds. No marine the enemies of free schools are in the in chase. Childs, of the prison, also tertiary later than the cocene exists Democratic party. Ponder that well; started up the track to Sing Sing.
